OUR GUARANTEE

SINCE 1932

**The Desnoes Investigations
Guarantee You shouldn't
work with any private
investigators that don't
offer you guarantees on
their services. After all, if
they aren't confident in the
results they can bring, you
shouldn't be either. At
Desnoes, all of our services
come with a unique
guarantee to ensure you
understand how confident
we are in our abilities to
deliver on promises.**
